Dear SAC Committee Member,

Ambler Access Project (AAP) has set the date for the 3rd Quarter Meeting of the Subsistence Advisory Committee (SAC). The meeting will be Tuesday August 16 in Anchorage. The location of the meeting is still being secured and you will be notified as soon as the place has been reserved.

Travel will be coordinated by Christina Fields of Kuna Engineering, and she will contact those of you whose arrangements and payment are made by the project.

Enclosed is the meeting agenda and minutes from the June meeting. Presentation(s) will be sent in advance of the meeting, likely next week.

Please contact me if you have questions or concerns.

Respectfully,

A handwritten signature in black ink that reads "Kathy Mayo".
